

Table 1

NSW Wavesailing Association State Rankings 2016									
		1	2	3	4	5	6		
OVERALL RANKING	* PWA ranking points system used (page 22) - https://www.pwaworldtour.com/fileadmin/user/main_editors/documents/Part_1_GENERAL_RULES.pdf In the case of an incomplete event, raking points will be allocated but only for completed rounds and in line with PWA rules for incomplete events: heats that are run will have normal points allocated; heats that are not run, such as the Opens and Masters Finals at the Wanda event, will have AVERAGE points allocated to the people in the incomplete heats. This means that in a four person final that is not run, the positions will be added together (1+2+3+4 = 10) and divided by the number of competitors in the incomplete heat (10 / 4 = 2.5) and that will be the place points allocated (in this case position 2.5th = 2027.5 points). This allows points to be allocated (fairness for competitors who attempted the event) but not points equivalent to those that were 'won' in hard-fought completed heats like at other events (fair to other finals winners etc). This is based on the PWA rules that relate to allocation of prize money for incomplete events.	Port Kembla	Balina	Gerroa / Windang	Wanda	Gerroa / Windang	Gerroa / Windang TEAMS	TOTAL	DIVISION
